

The Fidel Castro I know

Published on FIDEL Soldier of Ideas (<http://www.fidelcastro.cu>)

[The Fidel Castro I know](#)

- [García Márquez, Gabriel](#)

"His devotion to the word. His power of seduction. He goes to seek out problems where they are. The impetus of inspiration is very much part of his style. Books reflect the breadth of his tastes very well. He stopped smoking to have the moral authority to combat tobacco addiction."
