
[The man who has lifted the torch of solidarity higher](#)

- [D'Escoto Brockmann, Miguel](#)

"And who has it been, in all sincerity, who has raised the torch of solidarity higher in this world? I'd like to say it was a Pope, I'd like to say that, but I can't say that because God is listening to me and I have to say only the truth. The man who has always and more than anyone else in history lifted the torch higher is called Commander Fidel Castro Ruz. I don't tire of saying it and that's the truth. That example helped us to have a Revolution in Nicaragua and so that now that feeling is growing."
