

IT IS IMPERATIVE TO IMMEDIATELY HAVE AN ENERGY REVOLUTION

Publicado en Fidel soldado de las ideas (<http://www.fidelcastro.cu>)

“Today, the world has tens of thousands of nuclear bombs that are fifty times as powerful, with carriers that are several times faster than the speed of sound and having absolute precision; our sophisticated species could destroy itself with them. At the end of World War II, fought by the peoples against fascism, a new power emerged that took over the world and imposed the absolutist and cruel order under which we live today.”
